Subject: Postponement of tomorrow DSHP meeting.

Hi All,
I would like to postpone the DSHP meeting that is scheduled for tomorrow because of the current Dimick sample work load. I would like to schedule it for some time next month, so please send me a list of dates that would work the best for your schedules and I'll arrange the date and time that works the best. Also If you haven't done so yet please send your comments on the DSHP to Susan so that she can consolidate them for the meeting discussion. Thanks.
